```
40  \section{Needfinding Results}
41
42  Most users rely on search & AI tools.
43
44  \begin{figure}[h]
45    \centering
46    \includegraphics{ch
47  \end{figure}
```

Special character & needs a backslash

In LaTeX, & separates table columns, so it can't be used as plain text here.

Fix: type \& to print an ampersand.
